**AMENDMENT**

October 13, 2004

Honorable Commissioner of  
Patents and Trademarks  
Washington, D.C. 20231

The Office Action of September 13, 2004 has been carefully considered.

Restriction to a single invention has been required under 35 USC 121 between Claims 1-8 drawn to a process for partial shaping of a flat glass part classified in Class 65, Subclass 106, or Claims 9-16 drawn to an apparatus for partial shaping of flat glass parts classified in Class 65, Subclass 286+.

Applicant herewith elects for further prosecution Claims 1-8 drawn to a process for partial shaping of a flat glass part.

This election, however, is without prejudice to the right of the applicant to file a divisional application for the non-elected claims should it decide to do so.

Prosecution on the merits is now respectfully requested.

Respectfully submitted,

Michael J. Striker  
Attorney for Applicant
